

NOTICE OF PUBLIC HEARING
TUESDAY JANUARY 22ND, 2019
6:00PM
CITY OF LIBBY, MONTANA
952 EAST SPRUCE STREET

This hearing is to obtain public comments regarding the proposed application to the Montana Dept. of Commerce Community Development Block Grant-Public Facilities program. The City of Libby has completed a Water System Preliminary Engineering Report Amendment in 2018 that evaluated water supply, raw water screening, treatment, storage, pumping stations and distribution system condition and alternatives. This hearing will review the recommended solutions to repair the three critical water distribution system deficiencies.

The City of Libby is hosting this public hearing to review the proposed project that addresses the critical water distribution system deficiencies as outlined in the PER, to review the goals and activities of the project, the proposed budget, and the City's efforts to obtain funding including the CDBG program and all the potential impacts to City residents this project may result in.

Comments may be given orally at this hearing or submitted in writing to the City of Libby PO Box 1428, Libby, MT 59923 through February 8th, 2019. Comment Sheets are provided and will be available at the City Hall as well as shared on the City of Libby's website. Copies of the presentation from the public meeting will be made available via the City's website <https://cityoflibby.com> and copies of the meeting minutes will be available as with any public meeting hosted by the City.
