Leann

I would like to get on the agenda for the council meeting on the 17th.

The item will be to notify the council that a project is in the development stage for the renovation and improvement of pedestrian access on the Libby Haul Bridge. This is very early notice; the activity will begin with requesting a preliminary engineer's cost estimate that will be used to form an NRDP project to fund the actual renovation. Funding from LOR will be sought to pay for the preliminary report.

Please contact me if you have any questions,

Thank you,

Project Title: Technology to Improve Libby Transportation

Commitment Dollar Amount: \$9,150

To the City of Libby:

This letter verifies that the LOR Foundation has committed to contribute \$9,150.00 to the City of Libby for the following activities: the purchase of 3D imaging equipment and its use to enhance public safety within the city of Libby. This project was brought forward to LOR, requested by the Chief of Police, Cody Ercanbrack, and approved to move forward to this council on November 4, 2025. Funding is only for the designated project during the grant period, which will commence with the Libby City Council's acceptance of the grant funds and will end on November 2, 2026, pending the completion of all expenditures. This commitment was made on November 4, 2025, and is contingent upon the City of Libby accepting the award by November 17, 2025. If the award is not accepted by that date, this commitment should be deemed null and void.

The LOR Foundation is a private foundation with offices in Montana, Colorado, New Mexico, Wyoming, and Idaho. Listening first, LOR works with people in rural communities throughout the Mountain West to improve quality of life.

Respectfully submitted,
