DC Orr, 1117 Nevada Ave, commented about the need for transparency to restore public trust. DC's father wore a gun and badge. He said Integrity matters in law enforcement. DC has had three assaults on his character and has won three times. Accusations harm the chief and the public has the right to know grievances made against him. DC made a request for the grievance filed by Ron Buckner.

Kathleen Sheffield came to invite all to the candlelight vigil, April 25th, 2024, at 7:00 pm in front of the courthouse. She hopes to have a presentation. She has several cases she is working on, including a partner family assault. She welcomed Brad Nelson to the commission.

Karen Dinkins does not feel the documents provided by Cody Ercanbrack saying that he had reviewed the necessary documents and the dates that he reviewed them was sufficient. Karen does not understand why the Police Commission is not being allowed to view each of the items in Section 1. Karen asked what kind of background check is done related to Section 2 and part of Section 3. Cody Ercanbrack said it is a NCIC (National Crime Information Center) full check which includes local and national searches. Karen does not believe the form for the medical and mental health evaluation signed by the provider is sufficient. A proposed form was on the

agenda under new business but the discussion about it ensued at this time. Steven and Brad did not have issues or concerns about the proposed form. The proposed form includes the provider certification stating they are not the primary care provider for the applicant and also certification based on MCA 7-32-303 (h) for the physical and MCA 7-32-303 (g), (i) and (ii) for the mental health. Both forms also include the state and license # for the provider and provider credentials. Steven Boyer made a motion to accept the proposed form. Second by Karen Dinkins. **Motion passed.**

Public Comment:
